WHAT WE DO IN OUR 911 CENTER

Call taking: We are the 1st First Responder on any call. We receive calls from the public, both emergency and non-emergency and triage the call.

Dispatching: We coordinate and dispatch police, fire, and EMS services. We send emergency services and provide updates for responders.

We are the voice of calm during chaos. We are the ears of the officers, firefighters, paramedics and EMT's before and after they arrive at a scene.

We work as a team. We rotate days off, work nights/weekends/holidays, and work under a union contract. It's a team effort that makes us successful every day. Would you like to join us?
